Capital One Travel booking qualifies for a price adjustment, ☎+44-**

888-620-4018[UK] or ®1♦888♦620♦4018[US] , you can usually get a price adjustment by comparing your booking to a more competitively priced offer. The comparison typically requires looking at: Matching Travel details Generally, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , the lower price must represent the same travel product. For hotel bookings, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , this generally means: Same hotel Same room type Same booking dates Same guest details Same booking terms and conditions For air travel, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , comparatives typically involve looking at: Same airline Same travel route Same travel time Same fare class Same travel restrictions The comparison must be submitted quickly because fare prices are volatile. The lower price may be available now, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , but it may no longer be available tomorrow. It is strongly recommended that you keep the booking confirmation, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , a screenshot of the lower fare, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , the web page where the lower fare was posted, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , the travel date, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , and the fare information. Not every fare difference is eligible for a price adjustment. If the lower fare was obtained as part of a sale, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , a promotion, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , or member discount, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , then a price adjustment will typically not be completed. Since the price match policy is complex, ©+44-888-620-4018[UK] or ®1♦888♦620♦4018[US] , many travelers prefer to call for an explanation of the available options.
