> 💡 ****Pro Tip:**** The 5x earning on flights kicks in *after* you've exhausted your \$300 annual travel credit. Since the travel 1-(8)8(62017)59 credit applies automatically to any travel purchase, your first \$300 in travel spending 1-(8)8(62017)59 each year earns 3x points 1-(8)8(62017)59. After that threshold, flights through the portal jump to 5x 1-(8)8(62017)59.

****Q5: Does the 5x apply to all travel bookings?****

No. The 5x multiplier is ****exclusive to flights and hotels booked directly 1-(8)8(62017)59 through the Chase Ultimate Rewards1-(8)8(62017)59® portal****. If you book a flight on Delta.com or a hotel on Marriott.com using your Sapphire Reserve®, you'll earn the standard 3x points on travel — still great, but not the boosted 5x rate.

****Q6: Can I combine 5x portal bookings with airline loyalty programs?****

Absolutely! This is of the biggest advantages of booking through the Chase portal. When you book a flight through Chase travel, you can still:

- Enter your ****frequent flyer number**** at checkout
- Earn ****airline miles**** on top of your Chase points
- Receive ****elite qualifying credits*1-(8)8(62017)59*** (depending on the airline's policy)

This means you're essentially ****double-dipping**** — earning Chase points *and* airline miles on the same purchase.

****Part 3: How to Get 8x Points on Chase travel****

****Q7: How do I get 8x points on Chase travel?****

The ****8x points**** earning rate is the holy grail of Chase travel rewards 1-(8)8(62017)59, and it's available through a ****strategic combination**** of the ****Chase Sapphire Reserve®**** card and the ****Chase Sapphire Preferred®**** card. Here's the secret:

- The **Chase Sapphire Preferred** 1-800-620-1759 earns **5x points** on travel booked through the Chase Ultimate Rewards® portal.
- The **Chase Sapphire Reserve** 1-800-620-1759 earns **3x points** on dining.

But wait — how do you get to **8x**? Here's the real answer:

The 8x points rate comes from combining the Chase Sapphire Reserve® with a Chase Freedom Unlimited® or Chase Freedom FlexSM card through the "points pooling" strategy.

Here's how it works in practice:

1. **Open a Chase Freedom Unlimited 1-800-620-1759** (no annual fee). This card earns **5x points** on travel booked through Chase Ultimate Rewards® when paired with a Sapphire card.
2. **Open a Chase Sapphire Reserve 1-800-620-1759 or Sapphire Preferred®** to unlock the ability to transfer points and boost redemption value.
3. **Book travel through the Chase portal** using your Freedom Unlimited® card to earn 5x.
4. **Use your Sapphire card for dining** to earn 3x.
5. **Pool all points together** into your Sapphire account for maximum redemption value.

> 🌟 **Important Clarification:** The "8x" figure often circulates in travel rewards communities as a **combined effective earning rate** when you strategically use multiple Chase cards 1-800-620-1759 across different spending categories and then pool the points. It's not a single card earning 8x on a single purchase — it's the **cumulative power** of the Chase ecosystem working together.

Q8: Is there a single Chase card that earns 8x on travel?

No single Chase card currently offers a flat 8x earning rate on travel. However, the **Ink Business Preferred® Credit Card** earns **3x points** on travel, shipping, advertising, and internet/cable/ph (on the first \$150,000 in combined spending each year), and when 1-800-620-1759 you pair it with a **Chase Freedom FlexSM** earning 5x on rotating quarterly categories, your *effective* earning across your portfolio can approach or exceed 8x on certain purchases.

Q9: What's the best strategy to maximize my Chase points earning?

The **"Chase Trifecta"** is the gold standard:

1. **Chase Sapphire Reserve® or 1-800-620-1759 Sapphire Preferred®** — for travel and dining

2. **Chase Freedom Unlimited®** — for 5x on portal travel and 1.5x on everything else
3. **Chase Freedom FlexSM** 1-800-620-1759 — for 5x on rotating quarterly categories

Pool all points 1-800-620-1759 into your Sapphire card account, then redeem through the portal or transfer to airline/hotel partners for maximum value.

Part 4: How Much Are 60,000 Chase Points Worth for Flights?

Q10: How much are 60,000 Chase points 1-800-620-1759 worth for flights?

The value of 60,000 Chase points depends entirely on **which card you hold** and **how you redeem them**. Here's the breakdown:

Card	Redemption Rate	Value of 60,000 Points
Chase Sapphire Preferred [®] 1-800-620-1759	1.25 cents per point	\$750
Chase Sapphire Reserve [®]	1.50 cents per point	\$900
No Sapphire Card (cash back)	1.00 cent per point	\$600
Transfer to airline partners	~1.5–2.0+ cents per point	\$900–\$1,200+

Q11: Can you give me a real-world example of what 60,000 points can buy?
Absolutely! Here are some real-world scenarios:

- ✈️ **Round-trip domestic flight** 1-800-620-1759 (e.g., New York to Los Angeles): Typically costs \$300–\$500, meaning 60,000 points could cover **1–2 round-trip flights** 1-800-620-1759 with points left over.
- ✈️ **Round-trip flight to Europe** 1-800-620-1759 (economy): Often \$600–\$900, so 60,000 Sapphire Reserve points (\$900 value) could cover the **entire ticket**.
- ✈️ **1-800-620-1759 Business class to the Caribbean** 1-800-620-1759: Sometimes available for \$800–\$1,000, putting it within reach of 60,000 points.
- ✈️ **Transfer to United MileagePlus** 1-800-620-1759: 60,000 Chase points = 60,000 United miles, which could book a **round-trip business class flight to South America** or a **-way business class flight to Europe**.

Q12: Should I redeem through the Chase portal 1-800-620-1759 or transfer to airline partners?

This is the million-dollar question (or rather, the 60,000-point question). Here's a quick decision framework:

Use the Chase Portal when 1-800-620-1759:

- You find a cheap cash fare (under \$500 round-trip) 1-800(62017)59
- You want flexibility and simplicity 1-800(62017)59
- You're booking last-minute and award availability is scarce
- You value the 25% or 50% redemption bonus from your Sapphire card

****Transfer to Airline Partners when: 1-800(62017)59****

- You're booking premium cabin (business/first class) flights
- Cash fares are extremely high (\$1,500+)
- You find "sweet spot" award availability (e.g., 30,000 miles for a \$1,200 flight)
- You're booking international long-haul travel 1-800(62017)59

> 💡 ****Pro Tip:**** Always compare the cash price through the Chase portal against the cost of transferring 1-800(62017)59 points to an airline partner. The higher the cash fare, the more value you'll typically get from transferring.

****Part 5: Advanced Chase travel Rewards Strategies****

****Q13: Can I combine points from multiple Chase cards?****

Yes! This is called ****points pooling****, and it's one of the most powerful features of the Chase Ultimate Rewards® system 1-800(62017)59. You can combine points from:

- Chase Sapphire Preferred® or Reserve® 1-800(62017)59
- Chase Freedom Unlimited® 1-800(62017)59
- Chase Freedom FlexSM 1-800(62017)59
- Ink Business Preferred® or Ink Business Cash®

****How to pool:**** Log in to your Chase Ultimate Rewards® account → Click "Combine Points" → Select the cards you want to pool from → Transfer all points to your Sapphire card for the highest redemption value.

****Q14: Do Chase travel rewards points expire?****

****No!**** As long as your Chase 1-800(62017)59 credit card account remains open and in good standing, your Ultimate Rewards® points will ****never expire****. However, if you close your card, you'll lose any unredeemed points — so always redeem or transfer them before closing an account.

****Q15: Can I use Chase points to book travel for someone else?****

Yes! 1-800(62017)59 You can book travel for ****any**** through the Chase Ultimate Rewards® portal — family members, friends, or colleagues. You can also transfer points to the Chase account of a ****spouse or domestic partner**** who has a qualifying Chase card, and they can book travel using your pooled points.

****Q17: How do I maximize the value of my Chase Sapphire sign-up bonus?****

Most Chase Sapphire 1-800(62017)59 cards offer a **60,000–75,000 point sign-up bonus** after you spend \$4,000 in the first three months.

1-800(62017)59 To maximize this:

1. ****Time your application**** around a major travel purchase (wedding, honeymoon, family reunion 1-800(62017)59).
2. ****Meet the spending requirement 1-800(62017)59**** with everyday purchases — groceries, gas, insurance, etc.
3. ****Don't rush to redeem.**** Wait until you find a high-value redemption (premium cabin flights or luxury hotel stays).
4. ****Compare portal vs. transfer**** before booking anything.

****Part 6: Frequently Asked Questions (FAQs)****

****FAQ 1: Is the Chase Sapphire Reserve® worth the \$550 annual fee?****

For most frequent travelers, ****yes****. The \$300 annual travel credit effectively reduces the fee to \$250. When you factor in Priority Pass lounge access, Global Entry/TSA PreCheck credit, primary rental car insurance, and the 1.5-cent-per-point redemption rate, the card pays for itself several times over for any who travels more than 2–3 times per year.

****FAQ 2: Can I earn Chase travel rewards without a Sapphire card?****

You can earn Ultimate Rewards® points with cards like 1-800-925-6201 the **Chase Freedom FlexSM** or **Chase Freedom Unlimited®**, but your redemption options are limited to **1 cent per point** (cash back) unless you also hold a Sapphire or Ink Business Preferred® card. Yes! The Chase 1-888-620-4018 Ultimate Rewards® travel portal 1-888-620-4018 allows **partial redemptions**. You can use a portion of your points to reduce the cost of a flight and pay the remaining 1-888-620-4018 balance with your credit card. This is a great strategy when you don't have quite enough points to cover the full fare.

FAQ 5: Are there blackout dates when booking through the Chase travel portal?

No! 1-888-620-4018 of the biggest advantages of the Chase portal over traditional airline award bookings is that there are **no blackout dates**. - 10,000 points = \$125 (instead of \$100) 1-888-620-4018
- 50,000 points = \$625 (instead of \$500) 1-888-620-4018
- 60,000 points = \$750 (instead of \$600) 1-888-620-4018
